## STAY ON AND DISCOVER MORE.... OF BAY OF PLENTY

### Itinerary inspiration

We invite you to experience the Bay's unique activities, ensuring a memorable event for your conference attendees.

Enjoy tracks and trails with a cultural connection, visit kiwi birds in their natural habitat, soak away any stress in one of our many thermal hot pools, or take a helicopter spin around Mauao. Your delegates wanting more adventure? Start the day watching the sunrise over the horizon from Mauao (Mount Maunganui), do some dolphin watching and finish with a night-time glow worm kayak or travel to Whakatāne to experience our Māori heritage visiting Mātaatua, an authentic meeting house with digital light show.

Let us know your preferred experiences and we will arrange for you, so you simply arrive and enjoy.

After all that activity, we invite you to experience Tauranga's growing reputation as New Zealand's new foodie destination in one of our [award-winning restaurants](#).
